## **A Private Letter from Rudy Giuliani**

I just received word that Kamala's Deep State plans to utterly ruin me in just one week's time.

I'll let you read the summary of the ruling for yourself:

**CNN: "A federal judge on Tuesday ordered former Donald Trump attorney and New York mayor Rudy Giuliani to turn over all his valuable possessions and his Manhattan penthouse apartment..."**

They want my home, my belongings, even all of the nostalgic keepsakes that I've collected throughout my 80 years of life.

They want irreplaceable mementos I gave to my only son. They want personal gifts that I was given by allies abroad to show solidarity with America after the tragedy of September 11th.

*They want \$150 MILLION from me!*

During moments like these, I have to remind myself that the Bible says that our earthly possessions will always fade, but greater "heavenly treasures" await us.

**Truth, justice, and the fight for freedom are worth *infinitely* more... They are the "heavenly treasures... that cannot be stolen and will never rust, decay or lose their value."**

That's why I will NEVER SURRENDER the fight – not just for *my* freedom and justice – but for the freedom and justice that are on the line for *every* U.S. citizen.

**If you can, and, seriously, only if you can, please make a contribution to my Legal Defense Trust – the Rudy Giuliani Freedom Fund – as I keep fighting for my freedom and justice as Kamala's Deep State tries to JAIL me for life.**

Thank you and God bless you,

*Rudy Giuliani*
